MESSAGE FROM THE PRESIDENT

Given the uncertainty of the COVID-19 pandemic and its variations, the last 24 months have been extraordinary, to say the least. We found ourselves faced with unprecedented challenges in every aspect of our existence. Several of the challenges are still with us and mounting in many instances. We hear about them and experience them daily to some degree.

Throughout this impact report you will see and hear how ICF ‘pivoted’ and delivered our mission without interruption. As we review the 2021 accomplishments, it is apparent that we could not have achieved anything without the support of our community of volunteers and donors. At ICF, “community matters”.

ICF is a California public 501(c)(3) non-profit organization established by members of Alpha Kappa Alpha Sorority, Incorporated, Culver City. ICF was envisioned in 2014 and began its first administration in 2015
